Welcome to Missouri's 2023 Unclaimed Property Auction in Cape Girardeau, Missouri.

Today's auction features items from safe deposit boxes surrendered as Unclaimed Property. State law mandates that financial institutions hand over these items after no contact with the owner for a statutorily set period of time – generally five years. We do not handle real estate or certain personal property such as vehicles.

Our dedicated team catalogues items from around 1,000 boxes annually. Due to limited storage space, we conduct an annual auction for non-monetary valuables. Proceeds are recorded under the original owner's name. It is important to note that these items never become state property. Original owners or proper heirs can claim proceeds anytime at www.showMeMoney.com.

My office holds over one billion dollars in Unclaimed Property for millions of account owners. One in ten Missourians has Unclaimed Property, and I'm working hard every day to return as much of it as possible.

Cape Girardeau holds a special place in my heart. I was a young student at Southeast Missouri State University (let's soar red hawks!) and living 8,000 miles away from home. The people of this great city took me in and treated me like family, and I am certain they will do the same for you.

While you're here, take some time to visit the many sites and restaurants the city has to offer, such as the Missouri Wall of Fame. And please, be sure to visit www.ShowMeMoney.com on your computer or mobile device to see if my office is holding your unclaimed money.

Again, thank you for attending the 2023 Unclaimed Property Auction in Cape Girardeau, Missouri, my home-away-from-home.

Sincerely,

Vivek Malek Missouri State Treasurer

Vivole Malek

- 3. Bidders are reminded that registration is required the day of the auction to obtain a bidder number necessary to bid and/or purchase any items available in the sale.
- 4. The auctioneer may choose to group several lots together to expedite the sale.
